Please be informed that the information resource **mrholder.github.io/fond** contains an outdated copy of 2011 from the website of the ROPC Foundation **www.ruppc.ru**

Currently, this invalid copy is being distributed as fake.

Misleading data given in this copy is completely untrue, including information concerning alleged personalities that participate in the work of the Foundation.

By accordance with the Order of the Ministry of Justice of the Russian Federation No. 7714012498 dated June 6, 2018, the changes to the Charter of the Foundation were made.

The Board of Trustees has been transformed into a Supervisory Board. The composition of the Supervisory Board and management of the Foundation has been almost completely updated, by the age criteria as well, therefore fake copies are no longer relevant.
